

Admissions Policy and Tuition Fees at the Nazareth High School of Warsaw

I. General Regulations

1. The School accepts candidates who are open to Christian values and consciously choose the Catholic way of formation as well as agree to obey the regulations stated in the School's Charter.
2. The application is based on an interview with the Candidate and her parents and the Candidate's results from the previous school year.
3. The date of the interview is scheduled by the Candidate's parents in the School secretariat.
4. Students from outside Warsaw are guaranteed a place in the boarding house.

II. Required Documents

1. A completed copy of the applicable questionnaire (pre-IB, IB 1)
2. A record of grades from the first semester/second trimester of the preceding school year, certified with a school stamp
3. The original certificate from the previous school year (after the end of the school year)
4. FCE / CAE certificate (if applicable)
5. Birth certificate
6. An identity document (e.g. passport copy)
7. A specialist opinion on special educational needs (if applicable)
8. 4 current photographs, signed on the reverse side
9. Signed 'Fees and tuition policy' document
10. For candidates, whose parents are not current inhabitants of Poland, a document confirming the legal guardianship by a third party, who is a resident of Poland

III. Conditions for Accepting Students

1. Conditions for accepting students into the pre-IB class (years 1 and 2 of High School)

1. Positive outcome of the interview in which the Candidate presents her interests, achievements, social activities and motivation for choosing Nazareth High School.
2. An interview of the Candidate's parents/legal guardians with the Headmistress (students from abroad are required to have a legal guardian who is a current resident in Poland; the guardianship must be confirmed by a notary).
3. Good mid-term/final grades in the previous school year as well as at least a very good grade for conduct.
4. Scoring at least 50% in an English B2 level entrance test (or possessing a B2 certificate in English, such as FCE)
5. Passing an entrance test in Mathematics (for students from non-Polish educational systems)
6. Paying the entry fee (2 100 zł) (after initial acceptance into the school).

2. Conditions for accepting students from other schools into IB 1 class (year 3 of High School)

1. Positive outcome of the interview in which the Candidate presents her interests, achievements, social activities and motivation for choosing Nazareth High School.

2. An interview of the Candidate's parents/legal guardians with the Headmistress (students from abroad are required to have a legal guardian who is a current resident in Poland; the guardianship must be confirmed by a notary).

3. Good mid-term/final grades in the previous school year as well as at least a very good grade for conduct.

4. Choosing 3 subjects at Higher Level (HL) and 3 subjects at Standard Level (SL)

While choosing HL subjects, it is only possible to take two from the following at the same time: biology, chemistry, physics and mathematics

5. Scoring at least 50% in an English C1 level entrance test (or possessing a C1 certificate in English, such as CAE).

6. Passing entrance examinations in:

- subjects selected at Higher Level,
- foreign languages other than English (French, German) at Standard Level and Higher Level,
- mathematics analysis and approaches at Standard Level and Higher Level,
- English A: language and literature at Standard Level and Higher Level,

by candidates who have selected these subjects.

7. Paying accreditation fee (3 000 zł) (after initial acceptance into the school)

3. Conditions for accepting students who completed pre-IB classes at Nazareth High School into IB 1 class (year 3 of High School)

1. At least very good grade for conduct and good final grades in all subjects.

2. Choosing 3 subjects at Higher Level (HL) and 3 subjects at Standard Level (SL)

While choosing HL subjects, it is only possible to take two from the following at the same time: biology, chemistry, physics and mathematics

3. Scoring at least 50% in an English C1 level entrance test (or possessing a C1 certificate in English, such as CAE).

4. Passing entrance examinations in:

- subjects selected at Higher Level,
- foreign languages other than English (French, German) at Standard Level and Higher Level,
- mathematics analysis and approaches at Standard Level and Higher Level,
- English A: language and literature at Standard Level and Higher Level,

by candidates who have selected these subjects.

5. Scoring at least a good semi-final grade in an HL subject in pre-IB 2

and receiving a recommendation from the teacher exempts a student from having to take the entrance exam in the given subject, as described in point 4.
